## Living in Love and Faith

Dear Colleagues

As you may know, the period for engagement with this important project has been extended until the end of April 2022. This gives us the opportunity to re-schedule the Deanery course for the New Year, when it is hoped more people may feel ready to take part.

This is not intended to be in competition with locally run courses at all, so please don't change any local plans you have underway. It is intended to try and maximise engagement across the Deanery by providing an additional opportunity for anyone who, for whatever reason, can't access a local course.

The course will run on **Monday evenings at 7.30pm, from 10<sup>th</sup> to 31<sup>st</sup> January and with the final session on 14<sup>th</sup> February**. It will be held at Cainscross Church Hall. Each session lasts about 1½ hours and you can find out more about it on the church's Living in Love and Faith (LLF) website <https://llf.churchofengland.org/> and general information about LLF on the relevant page of the diocesan website.

Please will you disseminate this information widely in your local church communities, asking anyone who is interested in taking part to contact Sally Withers, the Deanery Administrator, on 07808 294910 or Email: [Sally@stroud-deanery.org.uk](mailto:Sally@stroud-deanery.org.uk)

With best wishes
