

Training event for administrators across the Diocese

Thursday 11 October, 10am to 2pm with a buffet lunch provided.

John Truscott, a consultant working with a number of dioceses, will facilitate the event. He will be able to share the wider context of administration within the Church of England, and the importance of this spiritual gift to the wider ministry of the Church. Local colleagues will provide more specific training and support.

Please send the name, job role, church/benefice and email address of anyone planning to attend, along with dietary requirements, to

KWarner@glosdioc.org.uk
