

CONNECT – Schools Ministry Conference

I'm delighted to invite you and your teams to this unique Day Conference that Jo Wetherall (Children & Families Officer) and I are organising.

29th February 2020
Shurdington Primary School

Focus – to inspire, connect and encourage our churches to engage with children and young people and their schools

Who's it for – clergy, lay ministers, leaders, youth & children's workers, volunteers, and those interested in getting involved in more.

Format for the day:

10:00 – Registration / Coffee and Cake

10:30 – Worship

11:10 – Welcome and Introduction to the day by Bishop Rachel

11:30 – “Joined Up Thinking”

Society creates a divide between primary and secondary age children which is not helpful to either the child, their family or the church.

Today is about joining up our thinking to overcome the divide

11:50 – Break into Workshops

12:00 – Workshop 1

13:00 – Lunch, networking, etc.

14:00 – Workshop 2

15:00 – Plenary session and small group discussions

15:45 – Final words and Commissioning Prayer from Bishop Rachel

Workshops will include Prayer Spaces in Schools, Collective Worship, Chaplaincy, Transition, Sports Ministry, and running Lunch or Afterschool clubs, plus more!

Attendance is free and includes lunch. Pre-booking advisable by filing in the form [here](#)

Can I encourage you to promote this event around your churches, and especially to those involved in children, families and youth ministry

Looking forward to welcoming you and your teams on the day!
