

The Diocese of Gloucester DAC Environmental Workshop Successfully Heating Church Buildings

March 24, 9:30 am - 1:00 pm at St Andrew's Church, Chedworth

This workshop will outline the DAC's new environmental policy, what it will mean for churches and demonstrate successful strategies to heat churches while making a positive step towards being net zero carbon. The Diocese of Gloucester's DAC's Sustainability Advisor, Mr Matt Fulford, will present on effective, environmental approaches which all churches can adopt to make their buildings more sustainable.

This event is free and open to all churches throughout the Diocese of Gloucester, but booking is required. For more information and to book your place, please contact:
