

Report to Stroud Deanery Synod Meeting 10th October 2018 Deanery Office Funding

Sorry I can't be with you for tonight's meeting.

A big **thank you** to all the parishes in the Deanery who have contributed to the Deanery Office for 2018 so we are able to finance this venture. Please make sure that your PCC's are aware of these thanks!

Without your support the administrative work that keeps the wheels turning in this Deanery would fall on the rest of the Standing Committee – all of whom are already stretched with Deanery and Parish tasks.

I can report that there are only a few parishes who have not contributed so far and further reminders will be sent to them.

The finances of the Deanery Office are within budget limits and I have no concerns with the funds at this point in time for this year!

Mike Lambert

Deanery Treasurer for the Office
