

Supporting Spiritual Life in School

What are prayer spaces?

Children and young people are innately curious about life. Growing up raises lots of questions, some to do with their experience, both the good and the bad, and some to do with their sense of wonder at the universe we live in and whether there's more to life than meets the eye. Many have an interest in the non-material aspects of life, the spirit or soul, and want to explore how these ideas and experiences help them to develop their own sense of identity, self-worth, personal insight, meaning and purpose.

Prayer spaces in schools enable children and young people, of all faiths and none, to explore these life questions, spirituality and faith in a safe, creative and interactive way.
